

***Document Requirement Guidelines for the
Student Support Scheme for those in the
International Protection System***

International Protection Student Scheme (for FE/HE Students 2023/2024)

In order to correctly assess your application, and if we cannot, automatically, through our links with other government departments, obtain the information required to confirm details on your application form, in certain instances, you may be asked to provide documentation in support of your grant application.

This document offers a guide to documentation that may be requested from you and the type of documentation that is acceptable to SUSI to confirm your application details.

When supplying your documentation you should make sure that;

- Your application (P2324xxxxxxxx) number is included with all documentation.
- All documentation requested is posted together.
- You send your documents to us as soon as possible. You are given a deadline on the request letter, but if you are experiencing a delay in sourcing a document please contact the helpdesk and inform them of this.
- You ensure the declaration form enclosed in the request letter is signed by all relevant parties and returned. Incomplete declaration forms will not be accepted and this could slow down your application process.

The documents requested from you will depend on your application details. After you send in your documents, your application will be reviewed. Applications are reviewed in date order of receipt. At this stage, if the documentation provided is not sufficient or new information arises, you may be requested to send in some additional documentation.

- We only require photocopies of original documents.
- Any documents provided in a language other than English **will require a verified translated copy.**

International Protection Student Scheme (for FE/HE Students 2023/24)

Section A Applicants Personal Details

A6-9: Birth Details

Please provide a photocopy of your birth certificate. If you were born in Ireland, the long version birth certificate is required.

If your birth certificate is in a foreign language, it should be accompanied by an official English translation.

A14a-b: Evidence of Independent Residency prior to entering or re-entering an approved Further or Higher Education course. Evidence is required from the year prior to entry/re-entry into your course (no later than October) AND from the year of entry/re-entry into your course (no later than your first point of entry)

If you have applied as an Independent Mature Student, you must be able to provide documentation to confirm that you were independent and ordinarily resident at an address.

In order to demonstrate that you were not ordinarily resident with your parent(s)/legal guardian(s) from October of the year prior to your first point of entry (or re-entry) to an approved course, please provide documentary evidence of your independent residence dated from;

1. Previous year to the point of entry (any month not later than October); **AND**
2. Point of entry year (any month not later than your point of entry).

Examples of documents that can be accepted for this purpose are:

Statement from the Department of Social Protection confirming that you were in receipt of Daily Expenses Allowance for relevant dates.

A letter confirming that this address is registered with RTB (Residential Tenancies Board);

A Local Authority lease agreement or a letter confirming your rental under the Rental Accommodation Scheme (RAS) or any Government Housing Scheme/Arrangement. Private Housing Lease Agreements will not be accepted;

A letter on headed paper from a Rental Agency confirming your tenancy;

A letter confirming the receipt and period of Rent Allowance, Mortgage Interest Supplement or Housing Assistance Payment (HAP);

A Utility bill or statement of top-ups as you go utility meters in your own name, for example; landline telephone (SUSI does not do not accept mobile telephone bills), fixed broadband, gas, electricity or cable/satellite television bill/home heating bills/Waste bills/Mortgage Statements/Property Tax Letters.

If the utility bills in the household are in your spouse's name, please provide your marriage certificate with the utility bill.

International Protection Student Scheme (for FE/HE Students 2023/24)

If co-habiting we will accept utility bills in your partner's name covering the relevant period together with correspondence e.g. bank statement/Statement of Liability (formerly P21) issued to the applicant at the same address and covering the relevant period); and/or

Official documentation posted to you at this address and relating to your residence there.

For example:

A letter from the Department of Employment Affairs & Social Protection confirming Rent Allowance at this address;

A letter from any Government Department confirming you are living independently from your parents.

Please Note: Bank statements alone are not accepted for this purpose.

Documentation relating to an address that is merely a correspondence address is not sufficient - documentation must be connected with your residence at that address.

Note: If you cannot supply the documents listed above or you applied incorrectly as an independent student, please contact support@susi.ie to request the option to re-apply as a dependent student. This request must be made within 30 days of the date listed on this letter

Example 1: First point of entry/re-entry into further/higher education in 2023/24:

Documents from 2022 and dated no later than October 2022 and documents dated from current year 2023.

Example 2: First point of entry/re-entry into further/higher education in 2019/20:

Documents from 2018 and dated no later than October 2018 and documents dated from the actual year you entered your course prior to the start date of course (i.e. in this example, the year 2019).

Note: You, the applicant must be 23 or over on 1st January of the year of your first point of entry/re-entry into further or higher education to be classed as an Independent Mature Student.
