Who should complete this section?
You, the applicant, should fill in all questions in this section

What information is requested?
The information being requested in this section relates to your own nationality and residency status, two of the main criteria which will determine whether or not you may be eligible to receive grant funding.

You can also click the ? symbol to clarify a particular question.

**B1. What country were you born in?**
Select the country in which you were born, which may be different from your nationality.

**B2. What is your Nationality?**
If you are not an EU, EEA, UK or Swiss National, please see below.

(Question B3 will only appear if you select a nationality outside the EU, EEA, UK or Switzerland in question B2)
B3. If you are not an EU, EEA, UK or Swiss national, on what basis are you staying in Ireland?

Please enter your Garda National Immigration Bureau (GNIB)/Irish Residency Permit (IRP) reference number and select the option (a-h) which applies to you. Please also enter the date on which your permission to stay in Ireland was granted.

After your application is provisionally assessed, you may be asked to provide proof of your nationality, e.g. a copy of your passport, GNIB/IRP card, identity card or relevant correspondence from the Department of Justice and Equality.

If you select option h), ‘Other’, you will not meet the eligibility criteria for grant funding as set out in the Student Support Act 2011 and, as such, you will be unable to proceed with your application. You will receive this pop-up message.
If you fulfill the nationality criteria, you can proceed to the following question:

**B4. Have you been resident in Ireland for at least 3 of the last 5 years?**

To be eligible for a fee grant and a maintenance grant, if applicable, you must have been resident in Ireland for at least 3 of the 5 years prior to the year in which your course commences. If you answer ‘No’, question B5 will appear as shown here.

**B5. Have you been resident in the EU, EEA, UK or Switzerland for 3 of the last 5 years?**

If you were not resident in Ireland for 3 of the 5 years prior to the year in which your course commences, but have been resident in another EU Member State, the EEA, the UK or Switzerland for at least 3 of the last 5 years prior to the year in which your course commences, you are known as a tuition student. Tuition students may be eligible for a fee grant only.

If applicable, please use the table provided, (shown above) to give details of where you were resident during the requisite period. If the reason that you were temporarily resident outside of Ireland was because you were pursuing an approved course of study or postgraduate research in the EU, then you may still be eligible for a student grant.

If you answer ‘No’ to both question B4 and B5 you will not meet the residency requirements for grant funding, as set out in the Student Support Act 2011 and, as such, you will be unable to proceed with your grant application and you will see the following pop-up box.

**Application Cannot Proceed**

**Residency**

You have indicated at question 4A (Have you been resident in Ireland for 3 of the last 5 years?) and Question 4B (Have you been resident in EU, EEA, UK, or Switzerland for 3 of the last 5 years?) that you do not meet the residency requirements of Section 5A of the Student Support Act 2011.

You therefore cannot proceed with your application for a student grant for 2020/2021. However, if you have made an error in the information provided you can return to this section and correct the information.

You will now be re-directed to your Home Page. An email of this pop-up message will be sent to you as a record.

If you wish to authorise SUSI to cross-reference your application data with the application data of a person listed above for this purpose, please tick the box beside their name. This authorisation is not mandatory and SUSI will only cross-reference the application data of any two applicants within a household where both applicants have authorised SUSI to do so.

E2. Relevant Persons

If ‘Yes’, please select the appropriate payment from the list provided on screen (e.g. HSE, SOLAS or a Local Authority), provide the weekly rate of that payment and the number of weeks you were in receipt of that payment. We calculate the proportion we take into account by dividing the retirement lump sum by the number of years of pensionable service. If you are self-employed, the ‘pensionable service’ you should enter is the number of years for which you made contributions to a retirement product.

Redundancy: If you, your parent(s), legal guardian, spouse, civil partner or cohabitant as applicable, ceased employment or were made Redundant in 2019 and received a lump sum, we take a proportion of the lump sum into account for calculating reckonable income for student grant purposes. We calculate the proportion we take into account by dividing the lump sum by the number of years of service with the employer.

F11. Did you have any income in 2019 from disposal of assets or rights?
If ‘Yes’, please include details of all gains and losses on the "Disposal of Assets and Rights" table which will appear at the end of the application form. Any losses arising from the disposal of an asset can be offset against all other sources of income in the reference period. Only a portion of any gain will be taken into account when calculating reckonable income.
F12. Did you receive any gifts or inheritances in 2019?
If you, your parent(s), legal guardian, spouse, civil partner or cohabitant, as applicable, received gifts or inheritances in 2019, you must complete the "Gifts and Inheritances" table. This table will appear automatically for completion before you submit your application. Please provide details of all gifts and inheritances even if you did not have to report them to the Revenue Commissioners for Capital Acquisitions Tax purposes. The only exceptions are:

- In the case of an independent student, gifts and inheritances between the applicant and his or her spouse, civil partner or cohabitant

- In the case of all other applicants: gifts and inheritances between parent(s) or legal guardian and gifts and inheritances to the applicant from his or her parent(s) or legal guardian

If you answer "Yes" to F13b Please use the text box to describe the source and the income box for the amount. If you answer "Yes" to F13c Please complete the "Woodlands" table at the end of the application form. This is any income received from the sale of woodlands from 1st January to 31st December 2019. If ‘Yes’, please enter the total gross amount paid. A deduction may be made for maintenance payments to a separated spouse provided there is a legal separation or divorce agreement in place. The amount deductible from reckonable income is the amount that appears on your Revenue Self Assessment Statement or Statement of Liability (formerly P21).
F15. Did you make any pension contributions in 2019? (Do not include public sector pension related deduction or any pension deduction made at source. Applicable to pension contributions showing on P21 or Revenue’s Indicative Calculation on which you based your self-assessment).

We also allow a deduction for the public service pension levy.

Please enter the pension or retirement contributions allowed for income tax purposes for 2019 as shown on your Revenue Self Assessment Statement or Statement of Liability (formerly P21), after deducting any ‘unrelieved’ contributions from previous years.

F16. Did you have a permanent change in circumstances in relation to reckonable income since 2019. Please provide details of the permanent change in circumstances.

If there is a fall in your income, or that of your parent(s), legal guardian, spouse, civil partner or cohabitant as applicable, between 1st January and the end of the 2020/21 academic year, and that fall in income is likely to continue for the duration of the approved course or the foreseeable future, you may apply for a review of your application where you were previously refused or awarded a part-grant.

If you have not completed a student grant application form for the 2020/21 academic year and your income is now within the specified limits, you can make an application for a student grant under a change in circumstances which will be assessed based on your current income (2020) rather than income in the reference year (2019). However, we will re-assess your application for the 2021/22 academic year. This review will be based on your income in the reference period for the 2021/22 academic year (i.e. 2020)
The following page will appear for additional information to be submitted (if needed) in reference to Section D of the application form.

**F16. Did you have a change in circumstances in relation to your reckonable income (since 2019) that you expect to be ongoing for the foreseeable future?**
